RESPONSE TO RESTRICTION UNDER 35 U.S.C. §121

Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants elect to prosecute the invention of Group I, claims 1-9.

The Examiner has issued a restriction requirement under 35 USC §121 identifying two (2) independent groups.

Applicants submit that the claims of the present application may be searched by the Examiner without serious burden, and hereby request that the Examiner consider all

claims of record. Applicants will, however, consider canceling the non-elected claim upon an indication that the examined claims are in condition for allowance.

Based on the foregoing, it is respectfully requested that the restriction requirement be withdrawn and that all claims be considered for prosecution on the merits.

Respectfully submitted,

Edward A. Squillante, Jr.
Attorney for Applicant(s)
